Dear Parents/Carers

### **PARKING AND SPEEDING REMINDER**

School is very concerned about parking and speeding in the streets around Birkby I & N School.

#### **Parking**

- Please do not park on the restrictions on Blacker Road.
- Please do not park on, or too near, the pedestrian crossing.
- Please park with consideration for residents on Clement Street and Osborne Road.

#### **Speeding**

- Two families complained yesterday about the speed of a small black car using the lane off Tanfield Road. Their children were nearly hit.

There is great concern that if these matters are not resolved a child could be seriously injured.

We appreciate your cooperation in this matter.

Yours sincerely

Mrs D Wilson  
Headteacher
