

30th April 2015

Dear Parents/Carers

Thank you for your responses to our most recent Equality questionnaire. We are delighted with the very positive feedback.

*Some parents/carers asked about **extra times to speak with staff**. We now have a **parents' evening** in the autumn term, and two **parents' days** in spring and summer terms, but if these times are not convenient you are always welcome to contact the school office to make an alternative appointment.

01484 223969

office.birkbyinf@kirkleeseducation.uk

Members of staff are also always available during the school day, and in the playground at the start of the school day to take messages.

Teachers wear green waistcoats at home time and are available in the playground if you wish to arrange an appointment.

*Some parents/carers asked about **disabled access**. Due to the nature of our school building ramped access is available to the Main Entrance and the Parents' room. Please contact school if you need specific access support.

*Some parents/carers asked about **crèche facilities for courses** - these are available when space and course tutors allow.

*Some parents/carers requested more **family and child activities** in school. These take place as part of year group art projects - more to follow next year...

*Some parents/carers requested more **text reminders** about meetings - we will now send text reminders for any key events and cancellations.

The school website www.birkbyinfantandnursery.co.uk also contains lots of useful information.

Please do contact us at school if you require any further help or information.
