Dear Parent / Carer

### PE Kit Consultation

From September 2015 we are proposing to introduce a new PE kit as part of the whole school uniform. Year 11 students would be exempt from this change.

When we originally opened the school in 2011 we were very conscious of keeping costs down for parents and as such we kept the PE kit as simple as possible (black bottoms / white top). Although students are adhering to this policy, there is much disparity over the types of PE kit worn and the proposed move to a new kit will introduce much needed standardisation and will help enormously in improving the smartness of uniform for physical education.

The proposals are as follows:

Kit	Requirements (minimum 1 from each section)
Tops	Black polo shirt with school logo Black / purple reversible long-sleeved top with school logo
Bottoms	Black tracksuit bottoms with purple trim and school logo Black shorts with school logo
Socks	Long purple socks
Footwear	Trainers
Football boots	Boys only (girls optional)

A basic kit (shorts, polo shirt and socks) would cost just less than £20 for a small size and £23 for a large size. All kit would be supplied by Natasha's uniform shop in Huddersfield.

We would welcome any thoughts or comments that you may wish to put forward on the proposed change. If you would like to respond to this consultation, please do so in writing to me by Tuesday 31st March 2015.

I will confirm the consultation outcomes by letter before we break at the end of Spring Term.

Yours sincerely

Loz Wilson  
Head Teacher
