

This half term, the LBT Young Company presents...

Play in a Week: Around the World in 80 Days!

The LBT Young Company's popular Play-in-a-Week Projects give young people the opportunity to work alongside theatre professionals to create a show which is then performed to an invited audience on the final day. These exciting holiday projects help Young People learn new drama and performance skills, make new friends and have fun, as well as tackling themes and learning specialist skills.

This February Half Term Project (**Monday 15th till Friday 19th February**) is open to Young People aged 6 to 10 year olds.

This February Half Term, young people ages 6-10 can jump aboard a journey on our Play in a Week project. We'll start the week by seeing a show at the LBT -- New International Encounter's production of AROUND THE WORLD IN 80 DAYS, a high-speed, madcap, transcontinental race against the clock.

Drawing on inspiration from the show we will create our own exciting 'round the world' performance to share with family and friends on Friday afternoon. Come and join us for a whirlwind theatrical adventure!

Places will be issued on a first-come, first-served basis so don't delay - book today!
