What else would you like school/nursery to offer?
 Teach time telling, encourage parents to collect/bring children on time, offer a variety of fruit and snacks to children, organise trips/visits, more regular parents evenings to discuss children's progress.

Parent/Carer Learning - This year parents will have many opportunities to extend their own learning in school, e.g. ESOL (Conversation Cafe), First Aid, Healthy Eating, Story Sacks, 'Keeping up with the kids - Mathematics', Art and Craft and Parents as Partners.

Do you feel we could further support your needs? Please add your suggestions below.
 Teach how to tell the time, maths, first aid, information leaflets informing parents of what is being taught to children to enable parents to continue this at home, encourage children's health eating.
