

17 February 2017

Dear Parents/Carers

After School Care Club

From the 24th of April 2017 there will be no After School Care Club facility except for the children who are waiting for their siblings attending extended school activities until 4pm.

We are truly sorry if this causes you any inconvenience, however we are no longer able to support the staffing and funding of this facility.

An alternative Provider of after school care is: Stingers 01484 453354

Please ensure your child is collected on time so that the future of the After School Care Club is SAFE.

Mrs D Wilson, Headteacher
