NEW READING PHONIC SCHEME.

We have spent a **large amount of money** on a new phonics scheme and new reading books.

Soon we will be sending these books home with your children so that you can share and read these books with your child.

It is really important that these books are well cared for and returned to school in your child's reading bag every day. WE WILL SUPPLY CHILDREN WITH A READING BAG.

Please help us to enable all children to be able to have the book they need to read by, ensuring you help your child/children to return their book bag every day.

WALK TO SCHOOL

Please help us with traffic congestion and help save the planet by keeping yourself and your children fit and healthy by walking to school or by parking further away from school and walking a little way.

School web-site

Please do not forget to look on the school web-site for further information about the school.

Thank you for all your help and support.

Best Wishes
Diana Wilson
