

Compliments or Complaints

Birkby Infant & Nursery School welcomes compliments or concerns as part of its commitment to continued improvement.

Complaints procedures.

If you are concerned or worried about anything to do with school, teaching and learning, behaviour, provision of extracurricular activities please TALK TO YOUR CHILDS CLASS TEACHER as soon as possible.

If it is difficult to talk to the class teacher please talk to:

- Clare Moscardini for Nursery and Reception classes
- Danielle Laramee for Year 1 classes
- Paula Manser for Year 2 classes
- Donna Todd for SEN/D children in all classes.

In the event that none of these people are available then please ring the office 223969 and make an appointment to see:

- Diana Wilson - Head teacher.

After a meeting with the Head teacher if you are still concerned you should then make a complaint in writing which the Head teacher will acknowledge within 3 school days and respond to within 15 school days.

If you are still concerned then you may have your complaint forwarded to the Chair of Governors, Dr. Andy Williams, who will then offer to meet you and discuss your complaint.

The Chair of Governors, Dr. Andy Williams may then as a result our concerns convene the Governing Body Complaints panel or other external party to investigate.

Please access the Complaints and Concerns Policy on the web-site if you need further information.
