Visit the Kirklees Suicide Memorial and Bereavement Quilts Roadshow to see the beautiful memorial quilts at the locations below...

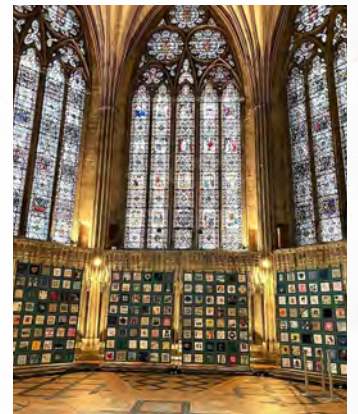

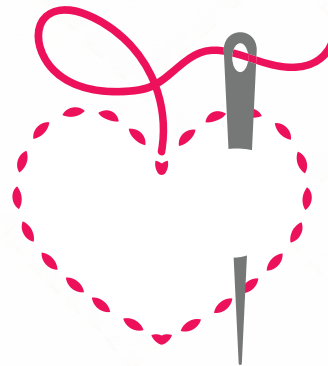

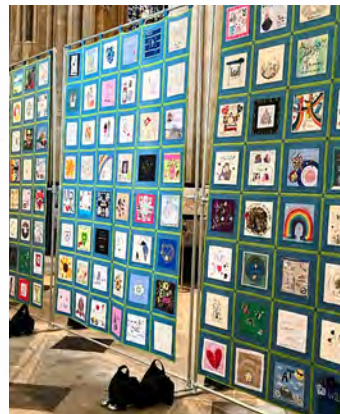

Each square has been made with love by someone who has experienced loss.

The roadshow is for everyone. Venues will host events including training, speakers, workshops and support will be available.

The roadshow aims to bring together people in Kirklees to share lived experiences, help reduce the stigma, encourage conversations and reduce isolation of those bereaved.

If you are experiencing mental health problems or need urgent help, there is support available. For more information visit:
