## BIRKBY INFANT & NURSERY SCHOOL

### **CHARGING & REMISSIONS POLICY**

#### **Introduction**

In accordance with the Department for Education, 'Charging for School Activities Guidance' - May 2018, the school is required to determine the charging and remissions policies required to address Sections 449 - 462 of the Education Act 1996.

The Act sets out the law on charging for school activities which is maintained by local authorities in England. Birkby Infant and Nursery School recognises the benefit and educational and social value of outside activities and visits and aims to ensure that all children can participate.

Educational visits and activities are arranged, connected with various themes, around which some of our school work is centered.

Charges may not be made for educational visits and activities taking place wholly or mainly in school time but parents are requested to make voluntary contributions.

No child will be prevented from taking part if his or her parents are unable or unwilling to contribute but if sufficient voluntary contributions are not received, activities may have to be cancelled. Families on low incomes unable to contribute should discuss the matter with the Head teacher.
